Hey.
Hey. You still here?

WHA!

No no no no no shut up!

Shut up, *please!*

MmMMmMRRff

Please don't freak out, *please* don't freak out! I'm not gonna hurt you, I promise, but *please please please don't freak out!*

MMRGH MMRR MMMMMGGHH

MRGH!! MMMMMMRRRRRGH! MMMMM. MRH! MMRMMMMM. Mrmrgh! Mmmmm.

All done?

mmm

Okay.

I'm gonna let go of your mouth.

You're not gonna freak out, right?

Right?

Not gonna freak out?

Mmm-mmm.

Alright. Here goes.

!

Hi.

Uh...

Um...

AAA-

Not.

Fuzzy ... titties?

Yep.

You're...

This is...

Werewolf.

No, not dreaming. Really here

Really tired.

I need to scream again.

Please don't.

You uh, weren't a werewolf when we came up here.

I wasn't covered in fur, but I was always a werewolf.

Oh.

So the full moon thing...

It's bullshit. I can change whenever.

Silver bullets?

Never been hit with one.

But getting shot still hurts.

And you're not gonna, like...

I'm not gonna tear your guts out.

You seem... nice.

Thanks.

This, uh...

...This is the weirdest thing to ever happen to me.

Uh...

Funny you should say that...

...What?

Now, hang on.

You said you wouldn't freak out.

What *else* do I *have* to freak out about?

Uh, do you remember, earlier, when uh...

...when we, uh, got a little rough?

... You *didn't.*

I'm so *so sorry* I'd had like ten drinks and I was really into it I didn't think I'd broken the sk-

WHAT DID YOU DO TO ME?!

please no what did we say about freaking out

What - what does -

You know the myth about werewolf bites? Well, uh, that part's true.

ARE YOU KIDDING ME?!

STOP IT!! How do you stop it?!

Please don't get angry, but I don't...

I don't know...

I don't think you ***can.***

Shit, I'm so sorry, I didn't mean for this to happen...

Do you do this to ***all*** the guys you fg

AHkRK!!

I canh hah rrahh *rrraaahrhahaaa...!*

YHNG!!

HNGH!

HRRRRHAGHAAGH!!

Don't try to -

HAAA GRH!

HAAH AAH GAAH!!

I *told* you not to get angry...

HHRGH...

HHUURRNGH...

HHHHUARK!!

RRRRUUUUUUGHHA

AAAAAAHAAAHHHGH...

Don't try to talk. Just breathe slowly

I know, *I know.*

Iiiii... ***hhhhurrr...***

You got angry and lost control of...

...well, yourself.

You need to relax.

Hhhhhow...

...relaack...

Need to get a feel for it. Poke around.

Think you can stand up?

Theeere you go.

Easy now.

Not so bad once you get the hang of it, huh?

I'm... need... *wake up...*

No, no, you need to *focus.*

Look, I'm *so sorry* I did this, and I'll make it up to you.

But you need to trust me, okay?

Uh, okay, but...

Wh... why did...

Cause,

I'm a huge dumbass.

Basically.

You ... you didn't... *...holy shit, I'm a we-*

WHAT THE HELL IS GOING ON IN THERE?!

Did you ***hear*** the shit comin' outta that room?!

I thought it was hardcore fucking...

I thought it was a ***murder!***

Abe called 911!

Does anyone have a key?

We gotta get in there!

...We should run.

Run?! We can't-

You ***really*** wanna talk this out?

Have the cops show up, tell everyone you're a wolfman?

Guess how that ends.

It's fucking freezing out there, so it's a good thing you're already in your fur.

You comin'?

Where the hell are we going?

Wherever the hell we want!

This...

This feels...

I've never been this ***fast...***

I KNOW, RIGHT?!

Wolves are natural-born runners! And werewolves are, uh... not natural, but pretty good at it too!

What's that... ***smell...***

Dumpster! Smells great, doesn't it?

No, it smells awful, but now it's... like.. ***interesting...***

You wanna pop it open?!

Yeah, but -

- uh, shouldn't we find some clothes?

What, are you worried someone's gonna be ***offended?*** We're both covered in ***fur,*** it's fine!

It still feels weird!

Aw, it'll grow on you.

But we can get some threads, if you're gonna be a baby about it.

This is where I keep all the stuff that didn't fit at Abe's place.

Wait, you changed back!

Um ... duh? My hand doesn't work if-

No, I mean, ***how do I*** change back?

Oh, um...

It's kinda like ... flexing? You gotta find the right nerve.

Flexing?

Think human thoughts. What do humans think of?

Wolf thoughts are like, running and hunting...

...and human thoughts are like, clothes, computers, cooking over fire...

You're making even less sense now.

How can I think like a human if I am a...

...oh. Right.

It's easy once you figure it out. Think ***human.***

Human...

Think...

Hmm...

You're getting it!

What did you think of?

Uh ... making hot dogs at a movie theater?

Processed food, yeah! Think of other human things!

Ugh...

Aaahh...

Rrgh... ***Aah!***

You did it! What were you thinking of?

Uh, work. Bills.

That's humanity for ya.

And now, when you want to change again, y-

Why would I do that?

...what?

That was the ***most painful thing*** that's ***ever*** happened to me!

Change again, are you ***crazy?!***

I wasn't...

...didn't expect...

You...

...have ***no idea*** what you're doing, do you?

I'm not ... ***no.***

You're right, it was stupid, it was a ***fucking stupid idea...***

When did you think it was a ***good*** idea? After two drinks, or ten?

I ... I didn't mean for this to happen...

But you know it ***could.*** And that was safe enough, huh?

I'M SORRY, DAMMIT!

Biting you was a stupid... ... ***wolf thing*** to do!

I didn't mean to hurt you, but ***I can't undo this!***

Well, that's just ***perfect,*** isn't it?

Now what do I do?! I've got ***work*** in the morning!

And I need to find my ***car!***

And it's gonna have a ***parking ticket*** and ah harg rrhRG***HGH***

aah human thoughts human thoughts human human human human

huuh

uuuugh.

That's gonna keep happening, isn't it?

Until you learn to control it, yeah.

sniff

It wont hurt if you do it by choice, *sniff* but if you get mad...

...I go through a meat grinder again.

Super.

I'm ***so sorry.*** I promise, I'll help you through it.

So now what?

You wanted some clothes, let's find some clothes.

We look good!

Ahah, haha...

We look *ridiculous,* but I guess beggars can't be choosers.

You're gonna want oversized clothes like these, by the way.

Shitty thing about transforming, regular clothes get torn a lot.

Gotcha.

What do we do now?

Didn't you say you had work in the morning?

Yeah, but...

...it's not morning for like...

...five hours.

Well, if you want, we can...
...go for a run.

That sounds nice.

And when we're done running?

Never gonna be done.

But hey, we're pretty good at it.
